SECURITY OPERATIONS INTERN

087 120 0528 | Dublin, Ireland | temiilori67@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Third-year BSc (Hons) Digital Forensics & Cyber Security student at TU Dublin, joining Genesys in January 2027 as a Security Operations Intern. Hands-on experience in SOC monitoring, incident response, and cloud security through independent AWS and Splunk projects.

WORK EXPERIENCE

Security Operations Intern — Genesys Jan 2027 – Aug 2027
Bonham Quay, Galway (Hybrid) — Incoming

- Joining the Security Engineering team to support security operations, monitoring, and incident response.
- Will assist with triage and investigation of security alerts, escalating incidents per NIST SP 800-61 lifecycle.
- Supporting cloud security monitoring across AWS environments, including IAM, CloudTrail, and log analysis.
- Working alongside senior security engineers and the Incident Response Lead on live SOC operations.

Sales Assistant — Tesco Aug 2026 – Jan 2027

- Delivered efficient, customer-focused service in a high-footfall retail environment, consistently meeting individual and store targets.
- Processed transactions and managed stock accurately, maintaining attention to detail under time pressure.
- Adapted quickly to new systems and procedures, reflecting strong technical aptitude and reliability.

KEY PROJECTS

Agent Swarm Detection Lab — purple-team AWS lab simulating autonomous agent lateral movement, with automated detection and containment.

AWS Security Monitoring — CloudTrail, CloudWatch & SNS pipeline for real-time failed-login detection.

Splunk SSH Brute-Force Detection — SOC-style log analysis and threat investigation with a full incident report.

Windows USB Forensics — Autopsy & Chainsaw artifact analysis and timeline reconstruction.

TECHNICAL SKILLS & CERTIFICATIONS

Cybersecurity	SOC monitoring, threat detection, incident response, digital forensics
Tools	Splunk, Wireshark, Autopsy, Chainsaw, Git/GitHub, Linux CLI
Cloud & Systems	AWS (CloudTrail, CloudWatch, SNS, IAM, KMS), Windows, Linux
Programming	Python, PowerShell, SQL
Certifications	Google Cybersecurity • IBM Incident Response & Digital Forensics • Cisco Cybersecurity & Endpoint Security • EDUCBA SIEM with Splunk

EDUCATION

BSc (Hons) Computing — Digital Forensics & Cyber Security 2024 – 2028 (Expected)
Technological University Dublin
